Pharmacy Defendants further reserve the right to conduct a direct examination of any witness called by a Plaintiff and/or to call additional witnesses not identified on this list, either live or by designation, that are submitted as part of current or future lists and/or deposition designations by any other party. Pharmacy Defendants reserve the right to call any of these witnesses and any of Plaintiffs' 30(b)(6) witnesses whose testimony is designated as live witnesses in their case in chief. Pharmacy Defendants further reserve the right to supplement and/or to amend this witness list in response to rulings of the Court on pretrial motions and to call additional witnesses, either live or by designation, to rebut Plaintiffs' case.
